

Option 2a (like latest mockup from Llanco):

1 country filter  
+ 3 buttons

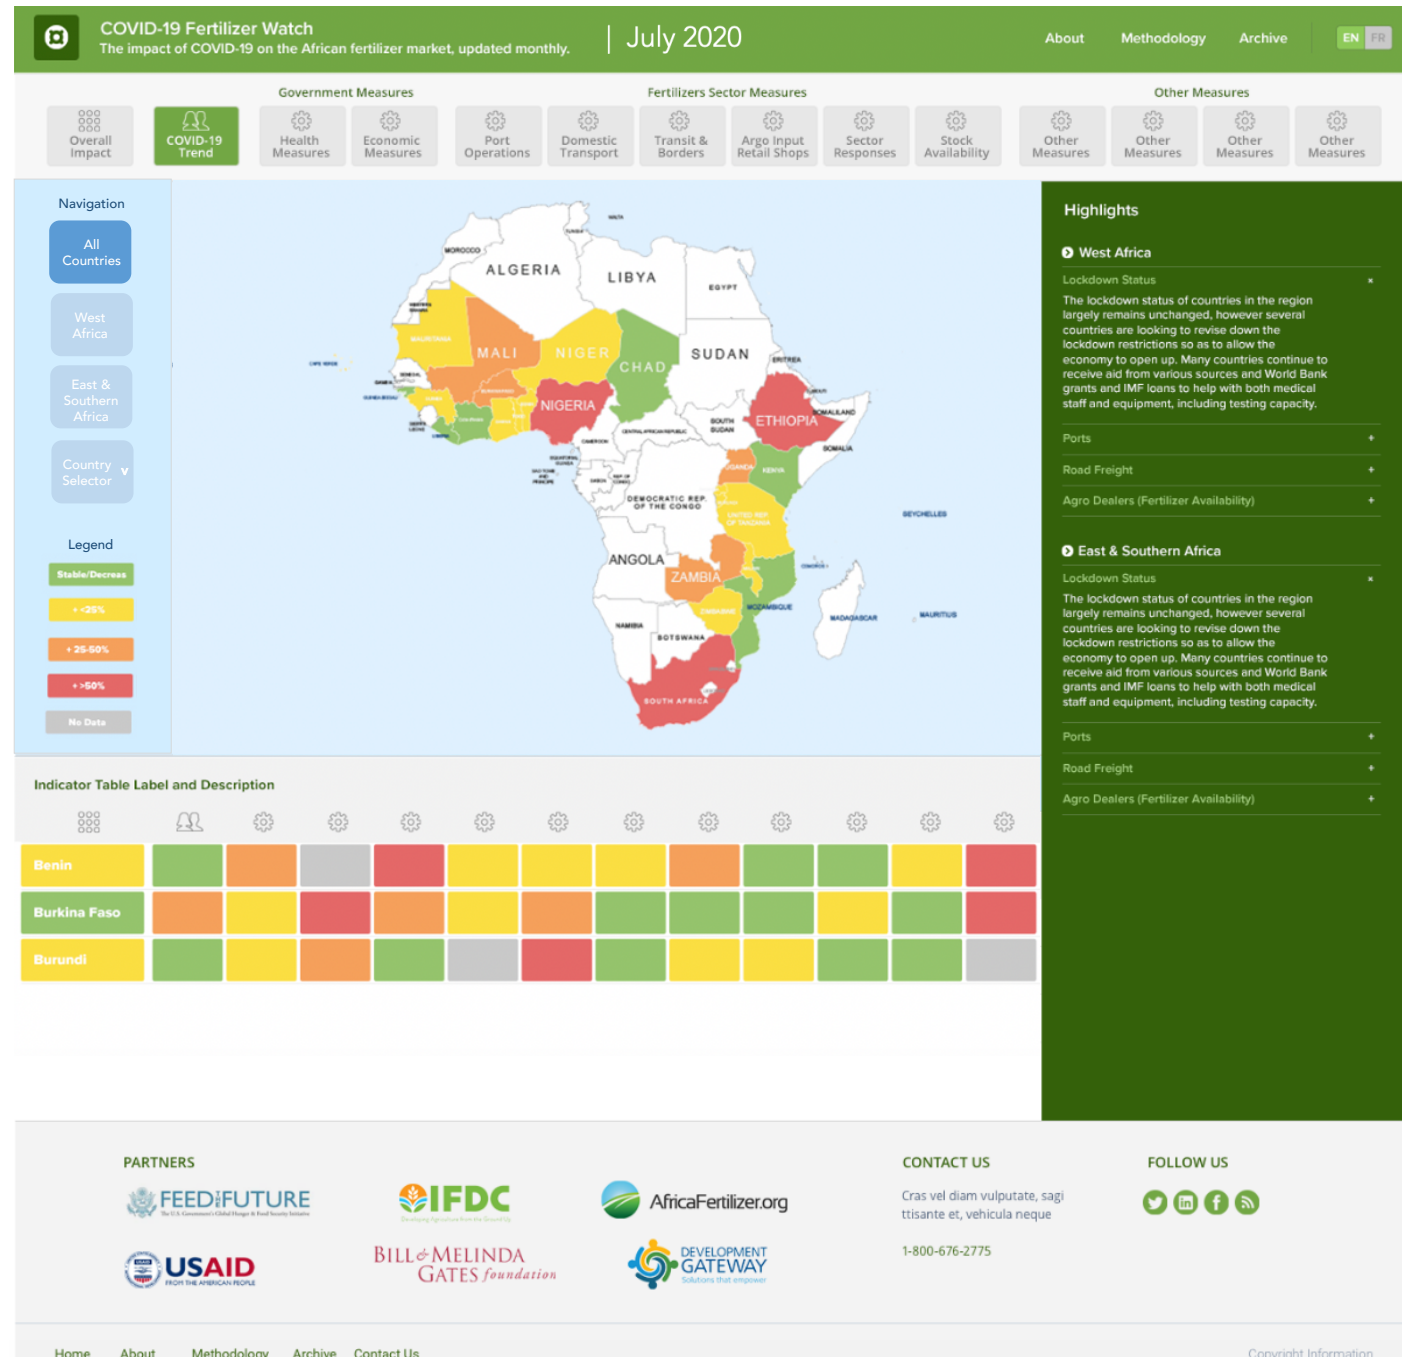

- for quick continental/ regional views
- Located above indicator buttons

Option 2b:

1 country filter  
+ 3 buttons

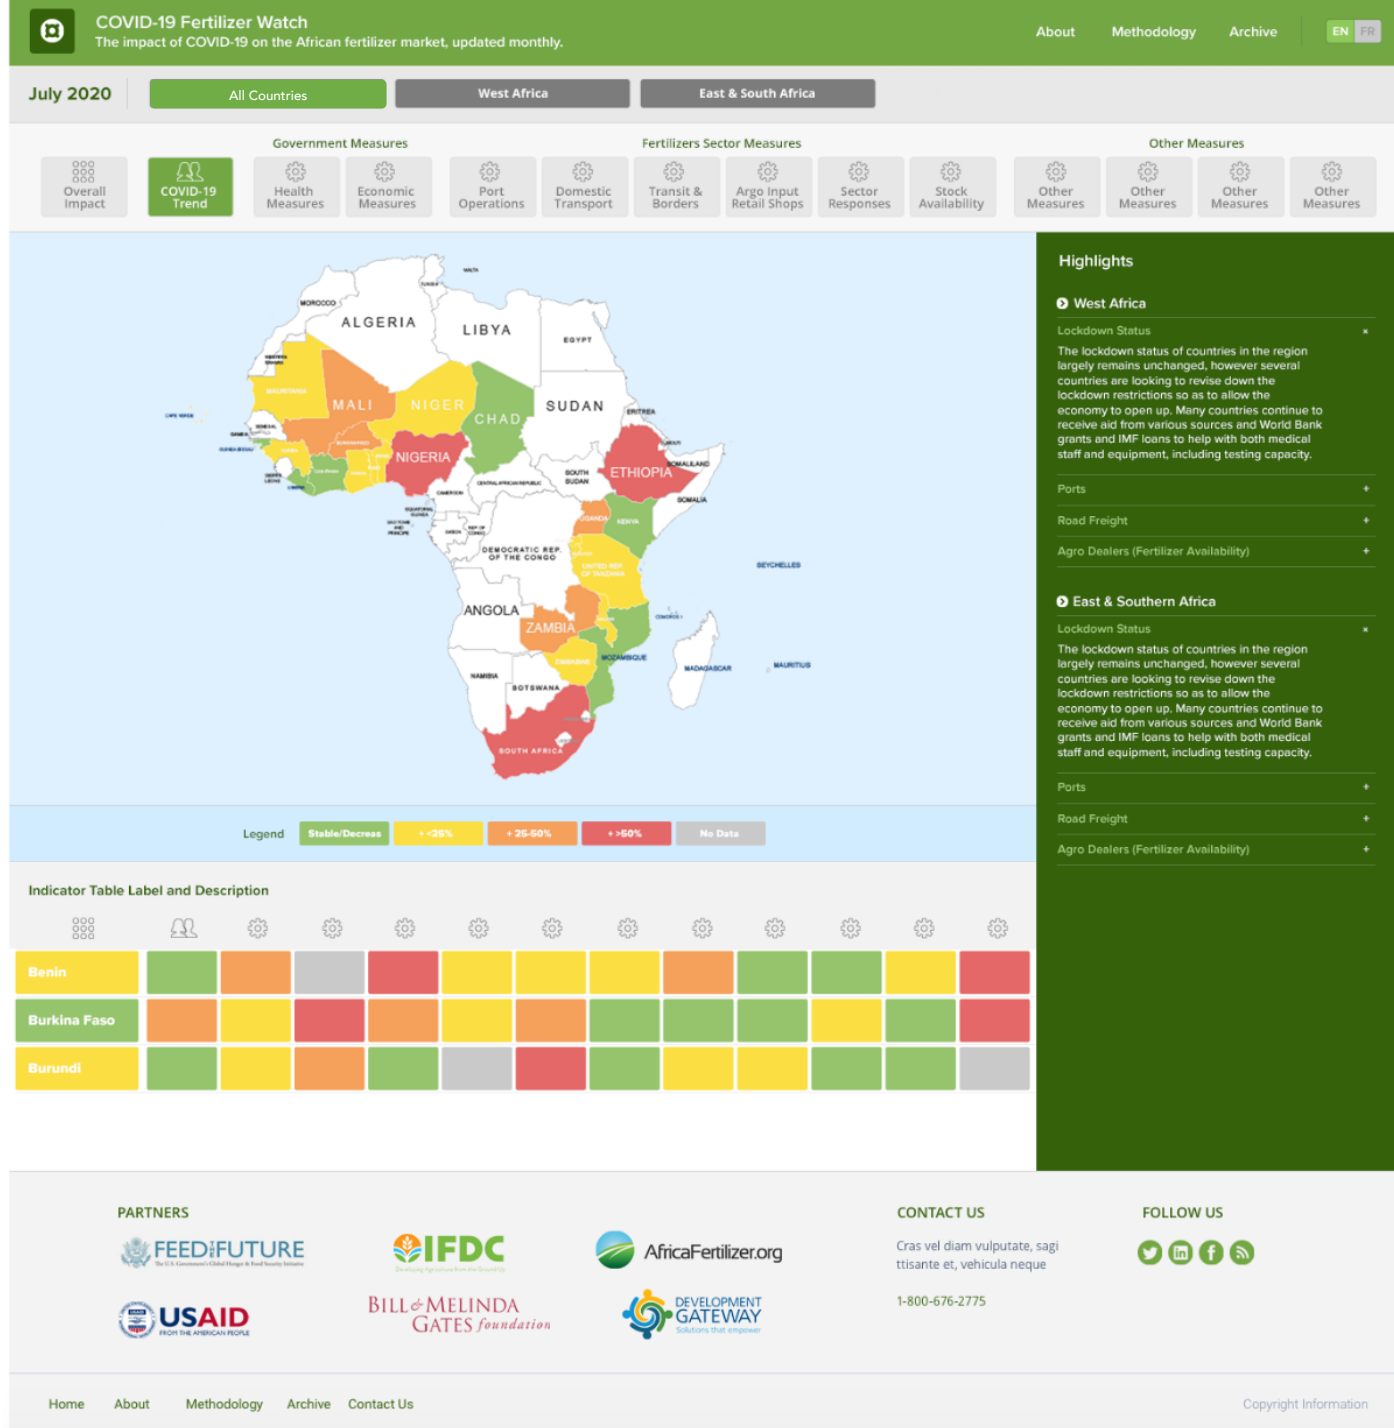

- for quick continental/regional views
- Located within map

### Option 3a:

### 3 buttons (no country filter)

- for quick continental/regional views
- Located above indicator buttons
- Must click on country to zoom in (updates side panel + indicator table)

Option 3b:

3 buttons (no country filter)

- for quick continental/regional views
- Located within map
- Must click on country to zoom in (updates side panel + indicator table)
